Payment Amount

Non-Members:

The following table is the pro-rata amount paid in the first year of membership only. Use the month that you join to determine the correct payment, for example, if you are a single and join in January, your payment is \$70.

We will also deduct your meeting fee should you decide to join on the night (or the following day), for example, if you attended a meeting in January and have paid the door fee of \$15, then you only pay the remaining amount of \$55 (\$70 January, less \$15 door fee).

	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun
Single	120	110	100	90	80	70	70	60	50	40	120*	120*
Couple	180	165	150	135	120	105	105	90	75	60	180*	180*

* **Please note:** BIG does not offer pro-rata memberships for May and June as all memberships expire on 30th June. Members that join in May or June may attend these meetings at no further cost for that year; however the full membership fee may not be reduced by the door fee if one was paid in these months.

Members:

Membership fees for existing members are due in July and are **\$120 for singles** or **\$180 for a couple**.
